Present position and tasks

- since 08/18 Chair of Commission 3.5 „Soil Degradation, Control, Bioremediation and Reclamation“ of the International Union of Soil Sciences
- since 10/15 Honorary Professor for Geoecology at the Technische Universität Bergakademie Freiberg
- since 10/15 Apl. Professor Karlsruhe Institute of Technology
- since 10/15 Study Dean for Geosciences at the Faculty of Civil Engineering, Geo and Environmental Sciences
- since 01/15 Speaker of commission VIII “Soil in Education and Society” of the German Soil Science Society.
- since 03/13 Head of the Research Group of Environmental Mineralogy and Environmental System Analysis at the Institute of Mineralogy and Geochemistry, Karlsruhe Institute of Technology (<http://www.img.kit.edu/3945.php>)

Previous positions

- 05/11 – 04/15 Visiting Professor for Geoecology at the Technische Universität Bergakademie Freiberg
- 04/09 – 02/13 Acting Chair of Physical Geography and Geoecology at the Institute of Geography and Geoecology, Head of Institute, Karlsruhe Institute of Technology
- 02/01 – 03/09 Post Doctoral Research Associate at the Institute of Mineralogy and Geochemistry, University of Karlsruhe (TH)
- 04/96 - 01/01 Scientific Assistant and PhD Student at the Institute of Petrography and Geochemistry, University of Karlsruhe (TH)
- 02/96 - 04/96 Part-time Scientific Assistant at the Institute of Geography and Geoecology, University of Karlsruhe (TH)
- 05/95 - 12/95 Consultant for the Gesellschaft für Technische Zusammenarbeit (GTZ) in Sana'a/Jemen within the project: "Planning Assistance for Urban Development"

Academic training

- 2007 Habilitation in Mineralogy, Universität Karlsruhe (TH)
- 2001 Dr. rer. nat. (Ph.D.), Universität Karlsruhe (TH)
- 1994 Diploma in Geoecology, Universität Karlsruhe (TH)
- 1987 – 1994 Studies in Geoecology, Universität Karlsruhe (TH)
